

# So You're the Parents of a new Cub Scout...

Welcome to Cub Scouting – Parent's Orientation Packet

**CUB SCOUT PACK 290**  
**St. Cecilia Parish**  
**535 Rhawn Street**  
**Philadelphia, PA 19111**

With this packet we intend to:

- ◆ Inform parents and boys about Cub Scouting and the Boy Scouts of America.
- Registering boys for Cub Scouting.
- How you can volunteer to be a leader.

# Your Son, Cub Scouting, and You

As a parent, you want your son to grow up to be a person of worth and a self-reliant, dependable, and caring individual. Scouting has these same goals in mind for him. Since 1910 Scouting has been weaving lifetime values into fun and educational activities designed to assist parents in strengthening character, developing good citizenship, enhancing physical fitness and building self-esteem and ethical values in youth.

Imagine a program that can help your son learn, grow and mature while he is having fun. There are activities in which you and he can participate together with the rest of the family and get to know each other even better. This is exactly what Scouting is. Every activity gives you and your son the chance to discover and share together.

What does your son learn in Scouting? Well, it is a lot more than crafts, games and outdoor skills. All of the Cub Scout programs in which you and your son will participate are carefully designed to teach your son something he will use throughout his life. Here are just a few of the things your son will gain through Cub Scouting.

- ◆ A feeling of belonging to a positive and fun group of boys and caring adults.
- ◆ New social skills that will help him get along with others.
- ◆ Develop new mental skills including reading, writing, planning and organizing.
- ◆ A greater understanding of other people and the world around him.
- ◆ A system of values that will help him grow and make good decisions.
- ◆ A concern and caring for people, and even opportunities to help others.
- ◆ Self-confidence and stronger self-esteem.

With all the negative influences in today's society, Scouting provides your son with a positive peer group and a program that is fun and adventurous and helps him to "be prepared" to shape his own future.

Cub Scouting is fun! But it is fun with a purpose. Woven through all the fun is an inspired program that really works. Tried and proven methods are used that transfer traditional values, build character, and develop leadership skills--all in the context of fun and family togetherness.

# What You Should Do Now To Get Started in Cub Scouting

- ◆ Complete and turn in the Cub Scout application and registration fee to the Cub Master. Subscribe to Boys' Life magazine. (Put a "Y" in the Boys' Life box on the application.)
- ◆ Carefully review this booklet so you know what Cub Scouting is all about and your son can get the most out of it.
- ◆ Review the Cub Scout Handbook and begin doing the activities in it with your son, especially those related to the outdoors and Bobcat requirements.
- ◆ Review the calendar to find out what kind of activities the Cub Scout Pack has planned for the next few months, and put them on your calendar so you can participate.
- ◆ Fill out the Parent Talent Survey on the last page of this booklet and turn it in tonight so you can share your knowledge, experience and skills with the boys in your son's Den and the Pack.
- ◆ Scouting is more fun with friends! Every boy can be a Cub Scout at any time, not just on School Night. Talk with other parents and boys and have them join your son's Cub Scout Den now to make Cub Scouting even more fun.
- ◆ Consider being a Cub Scout leader for your son's Cub Scout Den or a member of the Pack Committee. Your son's experience in Cub Scouting depends on your involvement. Details are on the following pages.
- ◆ Purchase a Cub Scout Uniform for your son to wear his awards on. Be sure to get a size large enough to last several years as your son grows. Uniform list on the following pages with scout shop locations.

# Basics of the Cub Scouting Program

Cub Scout Motto: "Do Your Best"

**Tiger Cubs, BSA**  
(For 1<sup>st</sup> grade boys)

Tiger Cubs is a one-year program for first-grade boys. Each boy participates with a parent (or another adult family member) in family-oriented activities. These include things from family camping to preparing for emergencies.

The time you and your son spend in Tiger Cubs is meant to be fun, a chance to get to know one another better, and do things with your family as well as other members of the Tiger Cub Den whom you see at weekly meetings. **Tiger Cubs and their adult partners also participate in the Cub Scout Pack Meetings and Activities.**

(For 2<sup>nd</sup> -5<sup>th</sup> grade boys)

Cub Scouting is a home and neighborhood-centered program designed to support family life for boys in second through fifth grades. Each Cub Scout learns to respect his home, country, God, and other people. The program also helps boys this age to:

- ◆ Learn new physical skills through sports, crafts, and games.
- ◆ Learn how to get along with others through group activities.
- ◆ Develop new mental skills such as writing and calculating.
- ◆ Develop personal independence.

In a society where your son is often taught that winning is everything, Cub Scouting teaches him to "do his best" and be helpful to others as expressed in the Cub Scout Promise.

A Cub Scout Den provides your son with a group of boys his own age in which he can earn status and recognition. In the Den, he will also gain a sense of personal achievement for the new skills he learns.

# Programs for the Future

When your son graduates from Cub Scouting during fifth grade, there is more in store for him. Boy Scouting and Venturing are awaiting him as he grows older.

## BOY SCOUT MOTTO "Be Prepared"

- ◆ A troop and patrol centered program for boys in sixth grade through senior high school designed to build and foster leadership and life skills.
- ◆ Program builds self-esteem, self-respect, and self-reliance through a blend of outdoor experiences, educational and instructional skills, recognition, value building and fun.
- ◆ Among the activities offered are more than 120 hobby and career skills through the merit badge program, year-round camping and outside activities, and honor camping society, recognition, leadership training, service projects, and special events.
- ◆ Boys and adult leaders meet weekly as a troop, monthly for an overnight or weekend campout and other outdoor activities.

## V E N T U R I N G · B S A

- ◆ A youth development program for young men and women, 14 through 20 years old, that provides positive experiences to help young people to mature and to prepare them to become responsible and caring adults.
- ◆ Based on unique and dynamic relationships between youth and adult leaders and organizations.
- ◆ A program of exciting and meaningful activities that helps youth pursue their special interests, grow, develop leadership skills and become good citizens.
- ◆ Provides opportunities for skill development in areas of high adventure, sports, arts and hobbies, youth ministries or Sea Scouting.

# How Cub Scouting Works

## Scouting is Family Oriented

- ◆ Activities are intended for the whole family.
- ◆ You work with your son on his various award requirements.
- ◆ Many skills he will learn are family oriented.

## Your son is a member of a Cub Scout Den

- ◆ The Den meets once a week.
- ◆ The den is led by a Den Leader (usually a parent).
- ◆ The den leader is usually assisted by an Assistant Den Leader, a den chief (an older Boy Scout), and a denner (a Cub Scout elected by den members)
- ◆ Den meetings have games, crafts, songs, ceremonies, and lots of fun.

## Your son is a member of a Cub Scout Pack

- ◆ A pack meets once a month - all Cub Scout families attend.
- ◆ The Cubmaster leads the monthly pack meeting.
- ◆ The pack meeting is the climax of the month's den meetings and activities.
- ◆ Pack meetings have games, skits, stunts, songs, ceremonies and presentations of badges that the boys have earned that month.

## A pack committee of parent volunteers runs the pack.

- ◆ The pack committee is made up of the Den Leaders and assistants, Webelos Leaders, and assistants, Cubmaster and assistants, Treasurer, Chartered Organization Representative and other interested parents. Most of these leaders are parents of boys in the pack.
- ◆ The committee meets once a month to discuss Pack activities,
- ◆ The committee selects leaders, performs record keeping, manages pack finances, orders badges, maintains pack equipment, helps train leaders, and recognizes leaders.

## The pack is owned by a Chartering Organization

- ◆ Charter organizations include schools, parent associations, religious organizations, service clubs, and other groups interested in youth.
- ◆ The chartered organization approves leaders, provides a meeting place, and operates the pack within the guidelines and policies of the chartered organization and the Boy Scouts of America.
- ◆ The chartered organization selects a Chartered Organization Representative who serves as a liaison between the pack and the organization.

# The Advancement Plan

The responsibility of a boy's advancement in Cub Scouting lies with the family and not with the Pack. Some advancement requirements are done at den meetings, but most are done at home with the family.

The Cub Scout Advancement program is an excellent way for you to spend quality time with your son. For each special skill or activity your son completes with you, you can sign off one of the requirements he needs to earn his next award. As a result, the awards he earns increase his knowledge, skills, self-esteem and confidence. You can be a part of it by participating in the Cub Scout program with him. The rank awards he earns are listed below.

## **TIGER CUB** (First Graders)

Tiger Cubs who complete five achievements in three areas: den activities, family activity and Go See It earn the Tiger Cub badge. After completing the rank of Tiger Cub, boys may earn one Tiger Track bead each time he completes 10 electives. Parents attend meetings with the boys.

## **BOBCAT** (First badge earned by ALL NEW Cub Scouts)

All boys, (1st - 5<sup>th</sup> grades), earn the Bobcat badge first by learning the Cub Scout Promise, Law of the Pack, handshake, salute, sign, motto, and meaning of "Webelos." After receiving the Bobcat badge, the boy works on requirements based on his grade or age.

## **WOLF** (Second Graders)

A Cub Scout, who has completed first grade (or is age 8), works on 12 achievements to earn the Wolf badge. Each achievement is designed to teach simple skills and initiate family discussion on values, drug awareness, health, etc.

### **BEAR (Third Graders)**

A Cub Scout, who is in the third grade works to complete 12 of 24 achievements to earn the Bear badge. After he earns his Wolf or Bear badge, a boy may work on electives in different interest areas until he is old enough to begin work on the next rank. For every 10 electives a boy completes, he earns an Arrow Point. A boy may earn as many Arrow Points as he wishes.

### **WEBELOS (Fourth & Fifth Graders)**

When a Cub Scout has completed the third grade, (or becomes 10 years old), he transfers to a Webelos den, led by an adult Webelos leader. The boy works on requirements for the Webelos badge, 20 activity pins, and the Arrow of Light Award (the highest award in Cub Scouting) which prepares him for Boy Scouting.

### **ARROW OF LIGHT**

When a boy earns the Arrow of Light or reaches 11 years of age, he may graduate from Cub Scouting to Boy Scouting at an impressive graduation ceremony. We aim to graduate every Cub Scout into Boy Scouting. Generally, your son will be prepared to join a Boy Scout troop in February or March of his fifth grade year.

# Pack Leadership Structure

**HOW CAN YOU HELP?** The leaders provide the program.

Scouting operates through volunteer leadership. Volunteer unit leaders are an example of Scouting's principle of service to others. Naturally, parents are a primary source of leaders in the Scouting program. You volunteer not only to serve Scouting, but also to serve your son and his friends, and to have the chance to be a positive influence on the youth in your community.

## **WHAT DO YOU RECEIVE IN RETURN?**

Being a leader is fun, challenging, and rewarding. Leaders find that their experiences help them to become better parents. The following are some of the many dividends that will enrich your life as you dedicate your time, talent, and enthusiasm to Scouting:

- ◆ Fun and fellowship with other families sharing your pride in the boys' accomplishments.
- ◆ The privilege of helping to enrich and strengthen families.
- ◆ A chance to help boys learn good citizenship and to help shape them into men who have strength of character and are sensitive to the needs of others.
- ◆ The opportunity to help make a difference in the lives of boys as they grow strong in mind and body.
- ◆ A code to live by which will set a worthwhile example for both boys and adults.
- ◆ The satisfaction of being a member of a worldwide movement, and pride in being publicly identified as a part of this organization--wearing the Scouting uniform is a visible means of showing you believe in the ideals and objectives of the Boy Scouts of America.

Program positions in the pack are held by adults like you, who work directly with the boys and organize the actual programs they participate in.
